

BATON ROUGE MUSIC STUDIOS, LLC

ROCKLAB FALL 2011

ROCK LAB - For the young musician with a lot going on outside the studio!

Don't have time for extra rehearsals and concerts with Young Band, but still want to get the "I'm in a band" experience and the sensation of jamming on stage WITH A BAND?!? Rock Lab is easy. Students just continue with their private lesson schedule with no extra time commitments. In their 6 lessons during the session, each student learns 1-2 rock songs as other students are learning the same songs in their individual lessons. We take a long day Saturday to rehearsal the material, then we ROCK OUT on Sunday at a local performance space or venue.

Skill Level: Beginner to Intermediate

What: 6 weeks of learning specific songs in regularly scheduled lessons

Cost: \$100 payable in advance (covers (2) two-hour rehearsals and the performance)

Session 02 (October 31-December 18)

Rehearsal 1: Sunday, November 27; 2pm-4pm

Rehearsal 2: Sunday, December 11; 2pm-4pm

Performance: Sunday, December 18; at Brew-Ha-Ha Coffee Shop; 2pm-5pm
